

**Beratungsstelle
Frauennotruf
Erlangen**

The counselling center for girls and women who have experienced violence is responsible for all questions concerning sexualized violence. Counselling is free, confidential and, if desired, anonymous. If necessary, we can provide an interpreter.

We offer counselling in case of

- **Sexual assault/sexual harassment**
- **Rape**
- **Sexual abuse in childhood or adolescence**
- **Crises related to previously experienced sexualized violence**
- **We also offer counselling if you are not sure if you have experienced sexual assault**

Our services include counselling

- **Via phone or in person**
- **Online: data secure and anonymous** (answers are provided within 48 hours)
- **Information and decision-making support**
- **Psycho-social Court Assistance** (officially recognized by the State of Bavaria) https://www.justiz.bayern.de/media/pdf/psychosoziale-prozessbegleitung/informationsblatt_englisch.pdf
- **Reporting of complaints and initial legal information**
- **Referrals to therapists, doctors, and clinics**
- **Support for injured witnesses in criminal proceedings** (police, lawyers, court)
- **Advice for relatives, confidants, and specialists**
- **Prevention offers for youth groups and classes**

If you don't understand any or little German, please do not hesitate to contact us. We can provide an interpreter, just let us know in advance.

Contact us and make an appointment at any time. You can find our contact address below:
